

Shudhanshu Jaiswal

+91-6306785451 shudhanshuj097@gmail.com | Jammu

Shudhanshu Jaiswal — from Pratapgarh. Grew up helping run his family's clothing and jewellery business, gaining hands-on skills in customer interaction, inventory, and negotiation — and learning patience, problem-solving, and how to guide people through confusion with clarity. Brings this same curiosity to projects like the Olist e-commerce analysis and a Monte Carlo revenue simulation for a campus tea stall. Runs, works out, and watches movies to stay disciplined, observant, and approachable.

Experience

2025 – Present

Member – Mess Committee IIM Jammu

- Managed INR 10L+ monthly mess budget — tracked and optimized spending.
- Coordinated mess operations for 550+ students across vendors and staff.
- Resolved service issues by aligning students, hospitality staff, and admin.
- Partnered with peer committees for smooth day-to-day operations.
- Certified in SQL, Python, and Pandas (Kaggle Learn).
- Reached Round 1 of Strategy Storm's Case Comp 2026, IIT Guwahati.

2026

Data Analyst — Academic Project Olist Brazilian E-Commerce Dataset

- Analyzed 100,000+ Olist orders (Python, Pandas, NumPy) to uncover delivery and satisfaction trends.
- Performed RFM segmentation to identify high-value customer cohorts.
- Linked delivery delays to low review scores, isolating key drivers.
- Visualized revenue and orders by category and state to flag growth areas.
